

Casual Harnesses

This sturdy, padded harness is suited for everyday walks and activities for all dogs. There are two available harness models: the padded harness and the padded Y-harness. The harness is quick and easy to put on your dog. Thanks to the two snap buckles of the Y-harness, you don't have to lift your dog's legs when putting it on. The chest dimension is adjustable to fit your dog. The Casual harnesses come in the largest selection of sizes in the Hurttä product series, available in 8 sizes. The weather-proof neoprene padding is comfortable for your dog. Thanks to the rugged nylon bands and its construction which has been tested for endurance, the harness can be used with a mind which is at ease. The 3M reflectors, which circle the harness are visible from far away, and improves the visibility of the dog while out walking after dark.

The Casual product range has been designed for a demanding consumer who appreciates easy-to-use, comfortable and high-quality dog gear.
