

Razzle-Dazzle Standard Leash

THE NAME SAYS STANDARD. WHAT WENT TO IT IS ANYTHING BUT.

The Razzle-Dazzle Standard Leash is an easy choice for dog owners. It's safe and comfortable, so it's great for leash training puppies and for teaching socialization. But it's also rugged enough for walking, jogging and just about any other outdoor activity that little dogs love.

The padded grip handle provides extra comfort for daily walks. The grip also makes it easier to control the dog on difficult terrain or in other challenging situations.

Best of all, like all Hurttä clothing and gear, the Razzle-Dazzle Standard Leash is built tough with strength-tested, wear-resistant materials so you can rely on it every day with confidence. And for added safety, luminous reflector provide great visibility for you and your dog when walking or jogging in low-light situations.

The Razzle-Dazzle Standard Leash is available in 2 sizes. Please note that product-breed size recommendations are based on adult dogs. Simply use your puppy's weight to choose the appropriate leash size for your dog.

The Razzle-Dazzle product line is designed for your puppy's first outdoor explorations, adventures and socialization.
